

## WINE LIST

Welcome to our small yet comprehensive Wine List. Working in conjunction with our local & very reputable Wine Merchant we have compiled a selection of wine that, we feel, not only offers great value & quality but wines that are all very true to style. Please note we keep a small quantity of each wine at Whitelady House and operate an honesty system. Our policy is to put a modest handling charge on each wine rather than an excessive margin, hence our keen prices.
